Idaho Firewise 2017

Week 3:

Sunday, May 7th, 12:10 to 3:40, 3.5 hrs
- Added granite mulch to 2 areas that were sparse
- Removed suckers and weeds generally in all beds
- Raked as many pathways as possible before leaving for the day

Thurs, May 11th, 8:45 to 4, 30 minute lunch, 6.75 hrs
- Traffic/customers from the CWI plant sale
- Firewise plants for sale in the garden + info display

Friday, May 12, 9 to 1:30, 4.5 hrs
- Foothill line trimming with Penny and Brett

Saturday, May 13, 10 to 3:30, 30 minute lunch, 5 hrs
- Garden maintenance - weed removal, shrub care, raking beds
- Watered shade nursery stock plants
- Raked all pathways before leaving for the day

Total Hours: 19.75

Week 4:

Thurs, May 18th, 9 to 4:15, 30 minute lunch, 6.75 hrs
- Worked with Brett on the slope moving N to S - weeding and shrub evaluation/pruning

Friday, May 19th, 9:20 to 4:20, 30 minute lunch, 6.5 hrs
- Debris removal and dumping from the day before
- Continued from where we left off, from the Rhus typhina grove on the slope and progressing to the grape vine leading towards the end of Phase 3

Saturday, May 20th, 9 to 2, 5 hrs
- Planted and thoroughly watered in 8 Monardella macrantha 'Marian Sampson' in 3 locations as per discussion with Brett from earlier in the week - the flowers smell amazing!
- Careful walk-through with weed removal, noted project areas for next week
- Thoroughly watered in plants in shade nursery
- Raked as many pathways as I could before leaving for the day

Total Hours: 18.25
